

Square GUPM reliability improvement

Compensation pads

VALUE AND BENEFITS

- Greater reliability
- Easier adjustments
- Avoid the tedious counting and stacking of the spring washers, when doing a refurbishment

Value: Efficiency
Equipment: Blowers S1
Catalogue code: 961

DESCRIPTION

- Polyurethane pads advantageously replace the spring washers.
- Fits only on square forged GUPM equipped with a compensation chamber (most of the Series1, and a few Series2)
