BEFORE

No contractual picture

Technical description

- Enables to maintain a constant level of glue in the Pro-Blue® tank, thus increasing its autonomy.
- Quick implementation
- Prevents from thermal shocks and reduces degradation of the glue
- Reduces missed or defective gluing
- Increased autonomy
- Maintains cleanliness of the tank
- Compatible with older Pro-Blue® models
- The operator no longer needs safety equipment (gloves) as there is no longer risk of burn injuries
- Window provides adhesive level-at-glance visibility.
- Capacity 60 / 132 lb

Your advantages

Ergonomics

- Operator work reduced to the minimum
- Increased autonomy and safety

Productivity

- Operator more available for other tasks

AFTER

Our guarantees

Spare parts covered by a warranty period of 12 months
Preservation of machine integrity
Certainty of ongoing OEM (Original Equipment Manufacturer) support
Compliance with applicable standards
Efficient after-sales service, spare parts, technical assistance
Installation by skilled technicians
Quality criteria acceptance

Conversion/delivery time & misc

Installation technical level: T1 / T2
Equipment downtime: 1 day
Delivery lead-time: 6 weeks
Training included
